Our Mission Statement

We commit ourselves to implementing dynamic evangelization programs to enlighten people in the Christian faith and values, recognizing and identifying the needs of the local larger community and to reach out and address them through meaningful service, and fostering unity and enriching the unique gifts of our dynamic multicultural communities of the Lower Eastside. We are a multicultural community rooted in the Catholic faith, ministering to diverse neighborhoods, on a pilgrimage towards the fullness of life.

Baptism:

2nd Saturday of the month

Congratulations on the birth of your child! We, with you, thank our Gracious God for the gift of your child. We thank you for bringing your child to be baptized into the Catholic faith.

Parents

Because of the natural relationship, parents have the most important role in the Baptism and life of their child. You along with God, co-created a human life and now seek to have your child as a member of God's Church. You are accepting for your child, the rights and privileges, as well as the obligations, of Roman Catholics. Therefore, it is imperative that you raise your child as an active member of God's Family, that is the Church. After the celebration of the Sacrament, it is the responsibility of the parents, in their gratitude to God and in fidelity to the duty they have undertaken, to enable their child to know God, whose adopted child they have become, to receive confirmation, and to participate in the Holy Eucharist.

FROM THE PASTOR’S DESK

Our Catholic faith is the most wonderful witness of Christ's life. We are the ones who can make it happen. It is not a dead faith or something of the old but it is an alive church. That is why we have to say things of the modern materialistic world that comes to attack the church forcefully when we do not compromise or say things that some parishioners may not like because of their social and spiritual life. Of course, there may be some churches around that such parishioners can go and practice their faith for we all Catholics are one.

We come across many things that are said against the church and therefore things have to be cleared and witness of our faith has to be given in private and public. Christ is our church where we can go not only to fulfill our emotional needs but also see to our intellectual and spiritual wellbeing. There is always time to question and clear the doubts if something is not said right for we have time to speak after the Mass or by special appointment. We as Catholics have to defend our faith which is the way to our lives. When we are faithful to God then we bring our families with best education, example and better living conditions. We become orderly people to build up a great nation. Let us be proud of our faith in Christ Jesus and the kingdom of God we love to be in.

EXCELLENT JOB:

We had a great celebration of our patroness St. Teresa de Avila honoring her life of sanctity and the work we have to do for the greater glory of God without fear of anyone except God. Doing the right nothing is difficult in today’s world were everything seems to be watered down and things are done for human gratification then for God's honor. St. Teresa teaches us by her contemplative life that it is finally God that matters in all that we do.

I sincerely thank my parishioners for the excellent job done for the celebration of the Solemn Mass with music and inspiring participation which was then followed with reception and all the food preparation done with love by our volunteers. Let us keep faith strong and service with genuine love.

“GOD BLESS OUR PARISH OF ST. TERESA”

REFLECTIONS

- Humility is the better way of life whether we live our spiritual or social life...
- It’s that what we bring to our life situations, the way we are brought up socially and religiously...
- God is there for us, to satisfy our longings and desires...
- How do we approach him to fulfill our daily needs of life...
- Pride will see things colored and distort but simplicity will lead to sincerity of heart and mind to see the reality of who we are in gratitude...
- We need an union and intimacy with God which comes from humble prayer...
- Lord teach us to pray...

Del escritorio del Pastor:

Nuestra fe católica es el testigo más maravilloso de la vida de Cristo. Nosotros somos los que pueden hacer que suceda. No es una fe muerta o algo de la vieja pero es una iglesia viva que algunos feligreses no pueden como por su vida espiritual social. Por supuesto, puede haber algunas iglesias en que los feligreses pueden ir y practicar su fe, para todos los católicos somos uno. Nos encontramos con muchas cosas que se dice contra la iglesia y por lo tanto las cosas tienen que ser aclaradas y testimonio de nuestra fe tiene que ser dada en privado y lo público. Cristo es nuestra iglesia donde podemos ir no sólo a satisfacer nuestras necesidades emocionales pero también ver a nuestro ser bien intelectual y espiritual. Siempre hay tiempo para preguntas y despejar las dudas, si algo no se dice derecho para que del tiempo a hablar después de la Misa o por cita especial. Como católicos tenemos que defender nuestra fe que es la forma de nuestras vidas. Cuando somos fieles a Dios traemos nuestras familias con mejor educación, el ejemplo y mejores condiciones de vida. Nos convertimos en gente ordenada a construir una gran nación. Seamos orgullosos de nuestra fe en Cristo Jesús y el Reino de Dios que nos encanta estar.

EXCELENTE TRABAJO: Tuvimos la gran fiesta de nuestra patrona Santa Teresa de Ávila a su vida de santidad y el trabajo que tenemos que hacer para mayor gloria de Dios sin temor a nadie, excepto Dios. El derecho de no hacer nada es difícil en el mundo de hoy fueron todo parece agua abajo y hacer las cosas para la satisfacción humana y para el honor de Dios. Sta. Teresa nos enseña por su vida contemplativa que finalmente es Dios que cuestiona todo lo que hacen.

Agradezco sinceramente a mis feligreses por el excelente trabajo, para la celebración de la misa con música y participación maravillosa, que siguió luego con alimentos preparados con amor por los voluntarios. Mantengamos la fe fuerte y con amor genuino. Por eso tenemos que decir las cosas del mundo materialista moderno que viene a atacar la iglesia con fuerza cuando no comprometer ni decir cosas que algunos feligreses que no vida debido

REFLEXIONES

- La humildad es el mejor modo de vivir sin importar si es una vida espiritual o social...
- Es así que traemos a nuestras vidas, el modo como nos hemos criado socialmente y religiosamente...
- Dios está allí para nosotros, para satisfacer nuestros deseos y ansias...
- Como nos podemos acercar a él para cumplir nuestras necesidades de vida...
- El orgullo verá las cosas coloreadas y distorsionadas, pero la simplicidad conducirá a la sinceridad del corazón y le importará ver la realidad a los que se le agradece...
- Necesitamos una unión y devoción con Dios por lo cual viene del rezo humilde...
- Señor enséñanos a rezar...
