### ***Baptism:***

2nd Saturday of the month

Congratulations on the birth of your child! We, with you, thank our Gracious God for the gift of your child. We thank you for bringing your child to be baptized into the Catholic faith.

Parents

Because of the natural relationship, parents have the most important role in the Baptism and life of their child. You along with God, co-created a human life and now seek to have your child as a member of God's Church. You are accepting for your child, the rights and privileges, as well as the obligations, of Roman Catholics. Therefore, it is imperative that you raise your child as an active member of God's Family, that is the Church. After the celebration of the Sacrament, it is the responsibility of the parents, in their gratitude to God and in fidelity to the duty they have undertaken, to enable their child to know God, whose adopted child they have become, to receive confirmation, and to participate in the Holy Eucharist.

**FROM THE PASTOR’S DESK**

**HALLOWEEN**

It is the Eve of All Saints Day where people of different cultures celebrate in several ways. It is pagan feast where they believed that the ghosts came around in the night. In fact, there was a custom to destroy belongs and property of people in the name of the ghosts. However, we Catholics celebrated the eve spiritually praying the whole Rosary with our families for the dead. It was this eve to pray for the dead family members that they may enter the Communion of Saints. Also I remember how we were going to ask the blessings of the seniors in the neighborhood where they gave little money as a gift.

We as a parish celebrate the Halloween for our children in the parish hall with music and costumes like a party according to our New York standards in a safe environment. However, we should never forget praying for the dead persons of our house.

\*\*\*\*\*

**REFLECTIONS**

- \*Some who are last will be first and some who are first will be last.
- \*Is the Lord saying that within each of us there are hidden inspirations which have the power to save us?
- \*Right now we may overlook or even try to silence them.
- \*We crowd them out with activities and distractions, excuses and arguments.
- \*Perhaps, leading to a new transformed existence is some idea...
- \*To forgive a person who has neglected or injured us...
- And to help a neighbor or relative in their old age or sickness...
- \*Or to follow a call to dedicate time to religious or charitable service...
- \*Perhaps even spending time each day in prayer and reflection....

“RECEIVE THE GRACE” AND “DELIVER US FROM EVIL” with the Archangels Gabriel and Michael on the sides of the Blessed Sacrament reminds us of God’s gratuitous love towards us.

**Del escritorio del Pastor:****HALLOWEEN**

Es la víspera de Todos los Santos donde personas de diferentes culturas celebran en varias maneras. Es una fiesta pagana que considera los fantasmas vinieron alrededor en la noche.

De hecho, fue una costumbre destruir pertenece y la propiedad de las personas en nombre de los fantasmas. Sin embargo, los católicos celebramos la víspera espiritualmente con nuestros padres orando el Rosario por los muertos. Fue la víspera a orar por los muertos familiares que pueden entrar en la comunión de los Santos. Recuerdo, yendo a tomar las bendiciones de los ancianos en el barrio donde utilizamos para obtener un poco de dinero de ellos.

Como parroquia celebramos el Halloween para nuestros niños en el salón parroquial con música y trajes como un partido según nuestros estándares de Nueva York en un entorno seguro. Sin embargo, no debemos olvidar orar para las personas muertas de nuestra casa.

\*\*\*\*\*

**REFLEXIONES**

\*"Algunos que salen de último serán primero y los que salen primeros serán último" ¿El señor nos esta diciendo que dentro de cada uno de nosotros hay inspiraciones ocultas que tienen el poder de salvarnos?

\*En este momento, podríamos estar omitiéndolo o tratar de si-lenciarlo.

\*Los ignoramos con actividades y distracciones, excusas y ar-gumentos.

\*Quizás, dirigiéndolo a una nueva existencia transformada es una idea para perdonar a una persona que nos ha abandonado o nos ha perjudicado y ayudar a un vecino o un pariente en su vejez o enfermedad...

\*O seguir una llamada para dedicar tiempo al servicio religioso o caritativo...

\*Quizás, hasta tomar tiempo cada día en el rezo y la reflexión...
