Family Prayer

Spend time together as a family praying for our nation, remembering those who gave their lives to save others, and praying for our country in this important election season.

REFLECTIONS

*Family is the best and the most important unit of social living and backbone of society. Jesus belonged to a simple family but a family with deep faith...

*Jesus has to be killed according to Herod the King for he fears the Child Jesus would compete and interfere with his authority...

*Joseph acts and guards the child put in charge. He shows responsibility...

*Competition and struggles are part of family life, how do I handle them? ...

*God could leave Mary as a single mother and help her Himself as a God, why have a male figure in a child's life? ...

*Is it right of the child to have father and a mother? ...

*Why should we deprive the child of such loving family? ...

*How would you feel, not having father and mother, or having a different type of family? ...

*The Holy Family of Jesus, Mary, and Joseph is an exemplary family for us...

*That's all God wants us to be responsible for who you give birth...

and to be good parents to one another in different ways...

HAPPINESS IN THE NEW YEAR

The best way to look for happiness is to see how Our Heavenly Mother Mary, the Mother of God achieved it. We begin the year honoring Mary, the Mother of God because she has given us her own son and tried to follow his life as the first disciple. As the gospel says, she kept everything in her heart what was happening around her. The life of our lady is "the life of a mother" who trusted in God, prays to God and offers herself to God. It is the life of holiness and a life of living fully as a human person. It is the life of the mother a most dear person in our lives, we have the sense of true devoted mother who directs us to God and not herself. What a great mother is Mary, the gospels praise her and we praise her for the direction she gives to us, when we ask through her intercession to help us. Let us pray that she makes us like her as she is our mother

REFLEXIONES

*La familia es lo mejor y la unión más importante de la vida social y las agallas de la sociedad. Jesús perteneció a una Familia simple pero una familia con fe profunda...

*Jesús tiene que ser asesinado según el Rey Herodes que le teme al Niño Jesús porque puede competir con su interferir con su autoridad...

*José actúa y protege al niño pon responsable. Él muestra la responsabilidad...

*La competencias y las luchas son parte de vida de una familia, ¿cómo los manejo?...

*Dios podría abandonar a María como una madre soltera y ayudarle Él mismo como Dios, ¿por qué tener un hombre en la vida de un niño?...

*¿Es justo que el niño tenga al padre y una madre?...

*¿Por qué deberíamos nosotros privar un niño de una familia cariñosa?...

*¿Cómo te sentirías, no tener a un padre y una la madre, o teniendo una familia diferente?...

*La Familia Santa de Jesús, María, y José son una familia ejemplar para nosotros...

*Eso es todo lo que Dios quiere de nosotros, que seamos responsable de quien damos a luz... y ser padres buenos al uno y al otro de modo diferente.

FELICIDAD EN EL NUEVO AÑO:

El mejor modo de buscar la felicidad es de ver como Nuestra Madre Divina María, la Madre de Dios lo alcanzó. Comenzamos el año nuevo honrando a María, la Madre de Dios porque ella nos ha dado a su propio hijo y ha tratado de seguir su vida como el primer discípulo. Como el evangelio dice, ella guardó todo en su corazón lo que pasaba alrededor de ella. La vida de nuestra señora es " la vida de una madre" quien confía en Dios, reza a Dios y se ofrece a Dios. Esto es la vida de santidad y una vida que se vive totalmente como una persona humana. Esto es la vida de una madre, la persona que es más querida en nuestras vidas, tenemos el sentido de una madre fiel que nos dirige a Dios y no ella misma. Qué gran madre es María, los evangelios la alaban y nosotros la alabamos por la dirección que ella nos da, cuando pedimos por su intercesión para ayudar nos. Recémosle a María que nos haga como ella que es nuestra madre.

BLESSED & HAPPY NEW YEAR 2017 TO ALL

As we enter this New Year, it is the year of Hope and trust in God to make a difference in our lives. God is the source of our time on earth that gives us true hope to live forever. Mary our Mother is our human point in starting the New Year. We celebrate her motherhood and the importance of our family life. We always pray that we may have a stable family at our side. Our broken and living together families have increased the stress in our young people. We need to pray for stable family life, the joy of our human living.

UN FELIZ Y DICHOSO AÑO NUEVO DE 2017

A TODOS: Este Año nuevo es el año de la esperanza y confianza en Dios para hacer una diferencia en nuestras vidas. Dios es la fuente de nuestro tiempo sobre la tierra que nos da la esperanza verdadera de vivir para siempre. María nuestra Madre es nuestro punto humano comenzado el Año nuevo. Celebramos su maternidad y la importancia de la vida familiar. Siempre rezamos que podemos tener una familia estable a nuestro lado. Nuestras familias rotas han aumentado la tensión en nuestros jóvenes. Tenemos que rezar para la vida de familia estable. La alegría de nuestra vida humana...
