Our Mission Statement

We commit ourselves to implementing dynamic evangelization programs to enlighten people in the Christian faith and values, recognizing and identifying the needs of the local larger community and to reach out and address them through meaningful service, and fostering unity and enriching the unique gifts of our dynamic multicultural communities of the Lower Eastside. We are a multicultural community rooted in the Catholic faith, ministering to diverse neighborhoods, on a pilgrimage towards the fullness of life.

Baptism:

2nd Saturday of the month

Congratulations on the birth of your child! We, with you, thank our Gracious God for the gift of your child. We thank you for bringing your child to be baptized into the Catholic faith.

Parents

Because of the natural relationship, parents have the most important role in the Baptism and life of their child. You along with God, co-created a human life and now seek to have your child as a member of God's Church. You are accepting for your child, the rights and privileges, as well as the obligations, of Roman Catholics. Therefore, it is imperative that you raise your child as an active member of God's Family, that is the Church. After the celebration of the Sacrament, it is the responsibility of the parents, in their gratitude to God and in fidelity to the duty they have undertaken, to enable their child to know God, whose adopted child they have become, to receive confirmation, and to participate in the Holy Eucharist.

ELECTIONS

As we Americans are going to vote for our President on November 8, 2016, it is our obligation and right to vote for the candidate we prefer. It is not the best person we choose but the majority votes bring the election results to give us the President of our country. The election of our President depends highly on the electoral votes. We hope that we along with them will choose the right person for the Job.

We have many issues that have to be solved. The economy of our country concerns all the people of the nation. Who can work better for our prosperity? The other issue connected with economy is how many people we can feed and sustain as a nation. So the issue of Abortion comes into play whether we do it for health, economic or racial reasons to kill the innocent unborn babies to restrict the population. The rich can always feed their own but the poor cannot. We are not owners of our bodies to do whatever we like to do for we owe our existence to our parents who allowed us to have their body and spirit. Ultimately, we owe of existence to God our creator. The next very important to our families is the education of our children that we bring into existence. We as a nation should give equal opportunity for quality education of our choice not only to have government schools but even give vouchers for private education as it is our tax money and the parents have the right to educate their children in the school of their choice. If the government wants best education for their future citizens, why not have a very highly competitive and challenging education.

The elections bring to us these and many other needs of our nation. It depends on us to see what a nation we want to build. Life is making choices and taking responsibilities for our actions. Let us choose the best person for the Job. **GOD BLESS AMERICAN**

VETERANS’ DAY: We remember our Veterans and their great work . It is a Holiday and there **WILL NO** Exposition of the Eucharist this Friday, November 11, 2016, but there will be Mass in the evening. Let us pray for our Veterans in the Holy Sacrifice of the Mass at 7:30pm.

REFLECTIONS

*Today’s good news of Jesus teaches us, the TRUTH OF RESURRECTION and what it means...

*The leaders tried to corner Jesus with a Story of a Woman married to seven brothers. Whose wife would SHE BE?...

*Jesus knew the weakness of the persons in question that they think in human terms and knowledge...

*However, spiritual wisdom and knowledge is more powerful and stable to human living...

*Therefore, Jesus gives an answer they never expected even to this day that after death our existence is like Angels and not according to human standards...

*For we believe in a God who is living and not dead. We have to pray always to make ourselves realize this great truth of Risen Life in our very Being...

VETERANS DAY

Friday, November 11th is Veteran’s Day. We remember their service to the nation and their sacrifices for our safety and security. Let us remember our Veterans living and deceased and pray for them.

Del escritorio del Pastor:**ELECCIONES**

Como los americanos van para votar por nuestro Presidente en 08 de noviembre de 2016, es nuestra obligación y derecho a votar por el candidato prefieran. No es la mejor persona que elegimos pero los votos de la mayoría traen los resultados de la elección que nos da el Presidente de nuestro país. La elección de nuestro Presidente depende altamente de los votos electorales. Esperamos que con ellas elegiremos a la persona adecuada para el trabajo.

Tenemos muchos temas que tienen que resolverse. La economía de nuestro país refiere a todo el pueblo de la nación. ¿Qué puede funcionar mejor para nuestra prosperidad? La otra cuestión relacionada con economía es cuántas personas podemos alimentar y sostener como una nación. Así que la cuestión del aborto entra en juego si lo hacemos para la salud, razones económicas o raciales para matar a los bebés nonatos inocentes para limitar la población. Los ricos siempre pueden alimentar sus propias pero no de los pobres. No somos dueños de nuestros cuerpos para hacer lo que nos gusta hacer para que le debemos nuestra existencia a nuestros padres que nos ha permitido tener su cuerpo y espíritu. En definitiva, debemos de existencia a Dios nuestro creador. La siguiente es muy importante para nuestras familias la educación de nuestros niños que nos traen a la existencia. Como nación debemos dar igualdad de oportunidades para una educación de calidad de nuestra elección no sólo para tener las escuelas públicas sino incluso dar vales para la educación privada ya que es nuestro dinero de los impuestos y los padres tienen el derecho a educar a sus hijos en la escuela de su elección. Si el gobierno quiere mejor educación para sus futuros ciudadanos, por qué no tienen una formación muy competitiva y desafiante.

Las elecciones traen a nosotros estas y muchas otras necesidades de nuestra nación. Depende de nosotros para ver qué país queremos construir. La vida es tomar decisiones y tomar responsabilidad de nuestras acciones. Debemos elegir a la mejor persona para el trabajo. DIOS BENDIGA AMÉRICA

REFLEXIONES

*Las buenas noticias de Nuestro Jesús nos enseña la VERDAD DE LA RESURRECCIÓN y lo que esto significa...

*Los otros líderes intentó a intimidar a Jesús con una Historia de una Mujer quien se casó con siete hermanos. ¿Qué clase de esposa SERÍA ELLA?...

*Jesús sabía la debilidad de las personas con asuntos que ellos piensan en términos humanos y conocimiento...

*De igual manera, la sabiduría espiritual y el conocimiento es más poderoso y da estabilidad para el ser humano...

*Por lo tanto, Jesús da una respuesta que los líderes nunca esperaron hasta este día que después de la muerte nuestra existencia se parece a Ángeles y no según a las normas humanas. Por nosotros creer en Dios es la vida y no la muerte...

*Nosotros tenemos que rezar siempre para déjanos saber de la verdad de la Vida en Resurrección en nuestro Ser...

OUR PARISH GROUPS

We do have our parish prayer groups and all are invited to join. Besides the existing groups, it would be nice to start Charismatic, Madre Cristiana and Bereavement Groups so that we can have more people joining to make our parish vibrant . If any one would like to form a group that will help our younger generation they are welcome to do so.

NUESTROS GRUPOS PARROQUIALES

Tenemos nuestros grupos de oración de la parroquia y todos están invitados a unirse. Además de los grupos existentes, sería bueno comenzar Carismático , Madre Cristiana y grupos de duelo para que podamos tener más gente a realizar nuestro parroquia vibrante. Si alguno quisiera formar un grupo que ayude a nuestros jóvenes son Bienvenidos a hacerlo.
