Our Mission Statement

We commit ourselves to implementing dynamic evangelization programs to enlighten people in the Christian faith and values, recognizing and identifying the needs of the local larger community and to reach out and address them through meaningful service, and fostering unity and enriching the unique gifts of our dynamic multicultural communities of the Lower Eastside. We are a multicultural community rooted in the Catholic faith, ministering to diverse neighborhoods, on a pilgrimage towards the fullness of life.

Baptism:

2nd Saturday of the month

Congratulations on the birth of your child! We, with you, thank our Gracious God for the gift of your child. We thank you for bringing your child to be baptized into the Catholic faith.

Parents

Because of the natural relationship, parents have the most important role in the Baptism and life of their child. You along with God, co-created a human life and now seek to have your child as a member of God's Church. You are accepting for your child, the rights and privileges, as well as the obligations, of Roman Catholics. Therefore, it is imperative that you raise your child as an active member of God's Family, that is the Church. After the celebration of the Sacrament, it is the responsibility of the parents, in their gratitude to God and in fidelity to the duty they have undertaken, to enable their child to know God, whose adopted child they have become, to receive confirmation, and to participate in the Holy Eucharist.

FROM THE PASTOR’S DESK

WE ARE THE LIVING CHURCH

Our Churches are beautiful buildings with wonderful glass windows and statues of saints. They give us a sense of godliness when we enter and pray. If we take a moment to reflect how sanctifying it is to be in the church is a marvelous experience. We know that these churches existed for years and some for centuries because of the people who prayed in them in big numbers and kept them going.

However, we are the living church of God with Christ as the head. If we are active in faith then we will avoid much of the evil in our homes and communities. The building may come down but not our faith. That is what our ancestors did with the great faith they came to this nation. There will always be great wars, uprisings, conflicts and persecutions without Christ and his life. Whether one is baptized or not, if there is no practice of faith, we are doomed to end up in the darkness of life. People may show off that they have happiness but in fact totally miserable within themselves.

We may build great Churches and form governments to rule on us but our functioning begins with common faith in one another and live this faith putting trust in the hands of God. Can we be the Living Church entering as a community in the walls made of stones?

It all depends how we look at life and the God we believe in. Let us make God present in our lives.

WE HAVE THE NEW PRESIDENT ALONG WITH OTHER ELECTED MEMBERS LET US PRAY FOR THEM AND FOR THE NATION THAT WE MAY WORK IN UNITY AND PEACE IN THE NAME OF GOD. “GOD BLESS UNITED STATES”

REFLECTIONS

*The liturgy of these final Sundays of the Church year stress how we should look beyond our immediate worries, troubles, interests, that are largely of selfish concern...

*It does this by confronting us with the thought of the four last things, namely, death, judgment, heaven and hell...

*People who never look beyond the immediate here and now criticize the Church for asking us to think on these things, but there is nothing morbid about such thoughts...

*For if we are exiles and journeyers on this earth, we are drawing ever nearer to our ultimate home in heaven, a consideration which should fill us, not with sorrow but with a longing to be with Christ...

Del Escritorio del Pastor:**SOMOS LA IGLESIA VIVA**

Nuestras iglesias son edificios hermosos con maravillosas vidrieras y estatuas de Santos. Nos dan un sentido de piedad cuando entramos y oramos. Si tomamos un momento para reflexionar cómo santifica es estar en la iglesia es una experiencia maravillosa. Sabemos que estas iglesias existieron durante años y algunos durante siglos por las personas que oraron en ellos en grandes números y lo mantienen. Sin embargo, somos la iglesia viva de Dios, con Cristo como la cabeza. Si somos activos en la fe entonces evitaremos gran parte de la maldad en nuestros hogares y comunidades. El edificio puede bajar pero no nuestra fe. Eso es lo que hicieron nuestros antepasados con la gran fe que llegaron a esta nación. Siempre habrá grandes guerras, revueltas, conflictos y persecuciones sin Cristo y su vida. Si uno está bautizado o no, si no hay ninguna práctica de la fe, estamos condenados a terminar en la oscuridad de la vida. Personas pueden presumir que tienen felicidad pero de hecho totalmente miserable dentro de sí mismos.

Podemos construir grandes iglesias y los gobiernos de forma a la regla sobre nosotros pero nuestro funcionamiento comienza con la fe común en uno con el otro y vive esta fe poniendo la confianza en las manos de Dios. ¿Podemos ser la iglesia de estar entrando como una comunidad en las paredes de piedra?

Todo depende de cómo vemos la vida y el Dios que creemos. Hagamos a Dios presente en nuestras vidas.

REFLEXIONES

*Ya se próxima el año final de estos domingos de liturgia en la Iglesia y nosotros deberíamos de ver más allá del estrés inmediata, los problemas e intereses materiales que son en gran parte, nuestras preocupaciones egoísta...

*Esto nos enfrenta con los pensamientos de estas cuatro cosas: el saber, la muerte, el juicio, el cielo y el infierno...

*Aquellas personas quienes nunca mira para adelante ni para el presente, crítica a la Iglesia para pedirnos a pensar sobre estas cosas, pero no hay nada mórbido sobre estos pensamientos...

*Si somos exilios y viajeros sobre esta tierra, estamos más cerca a nuestra casa final que está en el cielo, algo que nos puede llenar con consideración, no con tristeza pero con el deseo de estar con Cristo...
