Our Mission Statement

We commit ourselves to implementing dynamic evangelization programs to enlighten people in the Christian faith and values, recognizing and identifying the needs of the local larger community and to reach out and address them through meaningful service, and fostering unity and enriching the unique gifts of our dynamic multicultural communities of the Lower Eastside. We are a multicultural community rooted in the Catholic faith, ministering to diverse neighborhoods, on a pilgrimage towards the fullness of life.

Baptism:

2nd Saturday of the month

Congratulations on the birth of your child! We, with you, thank our Gracious God for the gift of your child. We thank you for bringing your child to be baptized into the Catholic faith.

Parents

Because of the natural relationship, parents have the most important role in the Baptism and life of their child. You along with God, co-created a human life and now seek to have your child as a member of God's Church. You are accepting for your child, the rights and privileges, as well as the obligations, of Roman Catholics. Therefore, it is imperative that you raise your child as an active member of God's Family, that is the Church. After the celebration of the Sacrament, it is the responsibility of the parents, in their gratitude to God and in fidelity to the duty they have undertaken, to enable their child to know God, whose adopted child they have become, to receive confirmation, and to participate in the Holy Eucharist.

REFLECTIONS

*New values are given by Jesus to the whole world. LET YOUR LIFE SHINE AND BE MOTIVATED for a better living...

*Life is much more than revolving around oneself. The more we go out of our-selves the better we enjoy the precious moments of our lives...

*This is the wisdom of life "TO PROJECT GOD'S TOUCH TO OTHERS" and never be frustrated, abandoned, and the fear, the despair, that one's life has been useless...

*All people, everywhere, at all times, long for happiness but we have been given Happiness by God's presence in our lives...

*Proximity to the Lord leads us to desire total peace, enlightenment and even greater sharing in His Love...

*We have been given the life of the Lord. A life of total freedom in him as the light and salt of the world...

*We are His light and salt in the world... *May we, by the spirit of Christ Jesus, have the courage to allow our light to shine before others so they can see our way of living, our good deeds, and glorify our Heavenly Father...

Communion Preparation Classes started on February 2nd. Children received a letter inviting them to participate in the communion program. If you did not receive a letter and you feel your child was omitted, please call the rectory after 3PM and speak to Dennisse Pizarro—(212) 233 -0233. Classes are held on Thursdays at 5PM.

**Religious Education Program 2016-2017
Confirmation Class—Grades 7 & 8
Wednesday—February 8, 2017
6:30 pm—8:00 pm
Classes for K—Grade 6
February 12, 2017
9am**

As we are nearing the Sacraments of First Holy Communion and Confirmation please prepare your children for confessions or reconciliation.

Flu Season – With the flu season upon us, priests, deacons, and Eucharistic ministers are reminded of the need to practice washing your hands prior to and after the distribution of Holy Communion, before the Mass and when visiting people in their homes or in institutions, such as hospitals and nursing homes. It is also recommended that this is done prior to and after the celebration of other sacraments and religious and parish functions.. Concelebrants who have the flu and are concerned about spreading it can exercise the option of dipping the bread in the wine when receiving Holy Communion. Eucharistic ministers should not serve when they are sick. Please remind parishioners that they do not have to shake hands at the sign of peace, but may express peace through another gesture or verbal greeting.

Influenza

Influenza is a contagious respiratory infection which is spread by person-to-person contact with droplets that are forcefully ejected from the mouth and nose during coughing and sneezing.

Symptoms:

Sudden onset of fever 100 degrees F or higher (37.8 C) and at least one of the following: cough, runny nose or stuffy nose, sore throat. There likely will be other symptoms such as headache, muscle aches, chills and fatigue.

To prevent this infection:

- Avoid contact with anyone known to be ill. Please ask friends and family not to visit if they are experiencing illness.
 - Wash your hands well with warm/hot water and soap or alcohol-based gel cleanser after coughing or sneezing and after being in public areas (Church, restaurants, public transportation, etc.). Wash your hands before eating or drinking.
 - Cover your mouth and nose with disposable tissues or your elbow when you cough or sneeze; this technique helps reduce the viral contamination of your hands.
- Medical treatment for suspected Influenza will be determined by your health care provider and may include the following:
- Medication for fever and pain
 - Under certain circumstances a nasal swab may be taken.
 - Antiviral medication may be prescribed.
 - You may be asked to wear a disposable mask.

How long is an infected person contagious?

Persons with Influenza are believed to be potentially contagious from the day before they become ill until the symptoms have ended, generally about 7 days. Persons with Influenza are asked to remain in voluntary isolation until they are fever free for 24 hours. For most persons with confirmed cases of this new influenza, the time needed to fully recover from an uncomplicated course of illness has been about 7 days.

What is the Incubation period for this new influenza strain?

It appears to be 1-4 days on average; it could be up to 7 days.

REFLEXIONES

* Los valores del mundo, son egoístas...

* "La vida gira alrededor de mí", lo dice el mundo "tomar en cuenta lo número uno", el mundo nos enseña...

* Pero esta falsa sabiduría, sólo conduce a la frustración, el abandono y el miedo, la desesperación, que la vida ha sido inútil...

* Todas las personas, en cualquier lugar, en todo momento, desea la felicidad pero, a nosotros nos han dado la alegría...

* Proximidad al Señor nos dirige al deseo de su gran amor...

* Se nos dio la vida del Señor...

* Nosotros somos la luz del mundo...

Es posible que tengamos la valentía de permitir que nuestra luz brille ante todos los hombres, para que puedan ver nuestra manera de vivir, nuestras buenas obras, y glorifiquen nuestro padre celestial

**Clases de preparación de la comunión se
Iniciado el 2 de febrero.**

**Los niños recibieron una carta invitándolos a
participar en el programa de la comunión. Si
no recibieron una carta y se siente que su
hijo fue omitido, por favor llame a la rectoría
después de 3:00 pm y hablar con
Dennisse Pizarro—(212) 233-0233.**

Clases de Doctrina – 2016-2017

Clase de Confirmación

Grados 7 y 8

Miercoles, 8 de Febrero, 2017

6:30pm—8:00pm

Clases para K—Grado 6

Domingo, 12 de Febrero, 2017

9am

Nos estamos acercando a los sacramentos de primera comunión y confirmación por favor preparar sus hijos para confesiones o reconciliación

La temporada de gripe - Con la temporada de la gripe a nos, sacerdotes, diáconos y ministros de la Eucaristía se recuerda de la necesidad práctica de lavarse las manos antes y después de la distribución de la comunión, antes de la Misa y visita a las personas en sus hogares o en instituciones, como hospitales y hogares de ancianos. También se recomienda que se realice antes y después de la celebración de otros sacramentos y religioso y las funciones de parroquia... Con celebrantes que tienen gripe y están preocupados por lo que se separa pueden ejercer la opción de sumergir el pan en el vino al recibir la Santa Comunión. Ministros de la Eucaristía no deben servir cuando están enfermos. Feligreses por favor recuerdan que no tienes que dar la mano en señal de paz, pero puede saludo paz expresa a través de otro gesto o verbal.

Gripe:

La gripe es una infección respiratoria contagiosa que se propaga por contacto persona – persona con gotitas que son expulsados con fuerza de la boca y la nariz durante la tos y los estornudos.

Síntomas:

Inicio repentino de fiebre 100 grados F o más alto (37,8 C) y al menos uno de los siguientes: tos, nariz que moquea, o congestión nariz, dolor de garganta. Probablemente habrá otros síntomas tales como dolor de cabeza, dolores musculares, escalofríos y fatiga.

Para prevenir esta infección:

Evitar el contacto con cualquier persona sabe que enferma. Por favor pregunte amigos y familiares no a visitar si están experimentando enfermedad.

Lávese las manos bien con agua tibia/caliente y jabón o gel con base de alcohol limpiador después de toser o estornudar y después de estar en las zonas comunes (iglesia, restaurantes, transporte público, etc.). Lávese las manos antes de comer o beber.

Cubra su boca y nariz con pañuelos desechables o su codo cuando tosa o estornude; Esta técnica ayuda a reduce la contaminación viral de tus manos.

Tratamiento médico sospechoso de influenza se determinará por el médico y puede incluir la siguiente:

Medicamentos para la fiebre y el dolor

Bajo ciertas circunstancias se puede tomar un hisopo nasal.

Medicamento antiviral puede ser prescrito.

Se le pedirá que utilice una máscara desechable.

¿Cuál es una persona infectada y contagiosa?

Las personas con gripe se creen que son potencialmente contagiosos desde el día antes de que se enfermo hasta que los síntomas han terminado, generalmente cerca de 7 días. Personas con gripe deberá permanecer en aislamiento voluntario hasta que la fiebre gratis durante 24 horas. Para la mayoría de las personas con casos confirmados de esta nueva gripe, el tiempo necesario para recuperarse completamente desde un sencillo curso de la enfermedad ha sido cerca de 7 días.

¿Cuál es el período de incubación para esta nueva gripe?

Parece que es 1-4 días en promedio; podría ser hasta 7 días.
