Our Mission Statement

We commit ourselves to implementing dynamic evangelization programs to enlighten people in the Christian faith and values, recognizing and identifying the needs of the local larger community and to reach out and address them through meaningful service, and fostering unity and enriching the unique gifts of our dynamic multicultural communities of the Lower Eastside. We are a multicultural community rooted in the Catholic faith, ministering to diverse neighborhoods, on a pilgrimage towards the fullness of life.

Baptism:

2nd Saturday of the month

Congratulations on the birth of your child! We, with you, thank our Gracious God for the gift of your child. We thank you for bringing your child to be baptized into the Catholic faith.

Parents

Because of the natural relationship, parents have the most important role in the Baptism and life of their child. You along with God, co-created a human life and now seek to have your child as a member of God's Church. You are accepting for your child, the rights and privileges, as well as the obligations, of Roman Catholics. Therefore, it is imperative that you raise your child as an active member of God's Family, that is the Church. After the celebration of the Sacrament, it is the responsibility of the parents, in their gratitude to God and in fidelity to the duty they have undertaken, to enable their child to know God, whose adopted child they have become, to receive confirmation, and to participate in the Holy Eucharist.

REFLECTIONS

***Christ is the fulfillment of Law and perfection of life. He is the law of Love and Compassion.**

*Christ's compassion, however, continues to extend beyond these needs to the deepest human need for personal transformation through communion in eternal, divine life...

*We can see how Christ's compassionate hand touches the sick in both aspects in the prayers...

*Like Jesus each of us will endure a trial of faith when beset by suffering and approaching death...

*The source of our hope is that we share Christ's own unconquerable hope through the gift of his Spirit...

*Jesus prayed to be delivered from suffering and death...

*Nevertheless, he trusted in God's love through the experience of his suffering, abandonment, and dying...

The Cardinal's Annual Stewardship Appeal

{OUR GOAL IS \$33,000}

The envelopes of the appeal are kept at the back of the church. Please take one to support:

The ministries, and programs throughout the archdiocese that nurture and encourage our journey in faith; Helps educate our children in our Catholic schools and religious education programs; Provides for retired priests and religious by giving them the retirement care they deserve after decades of service; Helps to educate our future clergy and prepare them for a life of service; and Helps fund Catholic Charities, which provides loving care to millions of people in our Archdiocese; Finally, it is through the Appeal that we receive a myriad of services and guidance from the Archdiocese. Whether it involves building, finance, questions of law or questions of faith, the Archdiocese of New York has at our service professionals of the highest quality. It is with their help that we are able to go about our role of caring for the faithful of St. Teresa Parish. I ask that you prayerfully consider your gift, fill out the pledge card and mail it in.

Flu Season – With the flu season upon us, priests, deacons, and Eucharistic ministers are reminded of the need to practice washing your hands prior to and after the distribution of Holy Communion, before the Mass and when visiting people in their homes or in institutions, such as hospitals and nursing homes. It is also recommended that this is done prior to and after the celebration of other sacraments and religious and parish functions.. Concelebrants who have the flu and are concerned about spreading it can exercise the option of dipping the bread in the wine when receiving Holy Communion. Eucharistic ministers should not serve when they are sick. Please remind parishioners that they do not have to shake hands at the sign of peace, but may express peace through another gesture or verbal greeting.

Influenza

Influenza is a contagious respiratory infection which is spread by person-to-person contact with droplets that are forcefully ejected from the mouth and nose during coughing and sneezing.

Symptoms:

Sudden onset of fever 100 degrees F or higher (37.8 C) and at least one of the following: cough, runny nose or stuffy nose, sore throat. There likely will be other symptoms such as headache, muscle aches, chills and fatigue.

To prevent this infection:

- Avoid contact with anyone known to be ill. Please ask friends and family not to visit if they are experiencing illness.
 - Wash your hands well with warm/hot water and soap or alcohol-based gel cleanser after coughing or sneezing and after being in public areas (Church, restaurants, public transportation, etc.). Wash your hands before eating or drinking.
 - Cover your mouth and nose with disposable tissues or your elbow when you cough or sneeze; this technique helps reduce the viral contamination of your hands.
- Medical treatment for suspected Influenza will be determined by your health care provider and may include the following:
- Medication for fever and pain
 - Under certain circumstances a nasal swab may be taken.
 - Antiviral medication may be prescribed.
 - You may be asked to wear a disposable mask.

How long is an infected person contagious?

Persons with Influenza are believed to be potentially contagious from the day before they become ill until the symptoms have ended, generally about 7 days. Persons with Influenza are asked to remain in voluntary isolation until they are fever free for 24 hours. For most persons with confirmed cases of this new influenza, the time needed to fully recover from an uncomplicated course of illness has been about 7 days.

What is the Incubation period for this new influenza strain?

It appears to be 1-4 days on average; it could be up to 7 days.

REFLEXIONES

*La compasión de Cristo, sin embargo, continúa ex-tendiendo más allá de estas necesidades para que el ser humano se transforma a través de la comunión en la vida eterna y divina...

*Podemos ver cómo la mano compasiva de Cristo toca a los enfermos en ambos aspectos en las oraciones...

*Como cada uno de nosotros va a perdurar una prueba de fe cuando, acosado por el sufrimiento y acercarse a la muerte de Jesús...

*La fuente de nuestra esperanza es que compartimos de Cristo la esperanza invencible de su Espíritu...

*Jesús oró para entregarse al sufrimiento y a la muerte...

*Sin embargo, Jesús confió en el amor de Dios a través de la experiencia de su sufrimiento, abandono y de muerte...

Apelación de la Administración del Cardenal**{Nuestra Meta es \$33,000}:**

Las tarjetas de apelación estarán atrás de la iglesia. Tomen uno para apoyar a lo siguiente:

Ayudarse en las oficinas, ministerios y programas a lo largo de la Arquidiócesis, y que apoyen y mantengan nuestro camino de fe; Educar a nuestros hijos en nuestras escuelas católicas y programas de educación religiosa; Proveer a los sacerdotes jubilados y religiosos, dándoles la atención de jubilación que merecen después de décadas de servicio; Informar a nuestros futuros clérigos y prepararlos para una vida de servicio; y ayudar a dar fondos/donaciones de Caridades Católicas, que provee cuidado a millones de personas en nuestra Arquidiócesis; Finalmente, a través de la apelación que recibimos un sinnúmero de servicios y orientación de la Arquidiócesis. Si se trata de construcción, finanzas, los derechos legales o de nuestra fe, la Arquidiócesis de Nueva York tienen servicios profesionales de la más alta calidad. Con su ayuda somos capaces de ir sobre todo para cuidar a los fieles de la parroquia de Sta. Teresa. Les pido que den sus ofrendas, llenen sus tarjetas y mándalo por correo. Gracias y que Dios los Bendiga .

La temporada de gripe - Con la temporada de la gripe a nos, sacerdotes, diáconos y ministros de la Eucaristía se recuerda de la necesidad práctica de lavarse las manos antes y después de la distribución de la comunión, antes de la Misa y visita a las personas en sus hogares o en instituciones, como hospitales y hogares de ancianos. También se recomienda que se realice antes y después de la celebración de otros sacramentos y religioso y las funciones de parroquia... Con celebrantes que tienen gripe y están preocupados por lo que se separa pueden ejercer la opción de sumergir el pan en el vino al recibir la Santa Comunión. Ministros de la Eucaristía no deben servir cuando están enfermos. Feligreses por favor recuerdan que no tienes que dar la mano en señal de paz, pero puede saludar paz expresa a través de otro gesto o verbal.

Gripe:

La gripe es una infección respiratoria contagiosa que se propaga por contacto persona – persona con gotitas que son expulsados con fuerza de la boca y la nariz durante la tos y los estornudos.

Síntomas:

Inicio repentino de fiebre 100 grados F o más alto (37,8 C) y al menos uno de los siguientes: tos, nariz que moquea, o congestión nariz, dolor de garganta. Probablemente habrá otros síntomas tales como dolor de cabeza, dolores musculares, escalofríos y fatiga.

Para prevenir esta infección:

Evitar el contacto con cualquier persona sabe que enferma. Por favor pregunte amigos y familiares no a visitar si están experimentando enfermedad. Lávese las manos bien con agua tibia/caliente y jabón o gel con base de alcohol limpiador después de toser o estornudar y después de estar en las zonas comunes (iglesia, restaurantes, transporte público, etc.). Lávese las manos antes de comer o beber.

Cubra su boca y nariz con pañuelos desechables o su codo cuando tosa o estornude; Esta técnica ayuda a reducir la contaminación viral de tus manos.

Tratamiento médico sospechoso de influenza se determinará por el médico y puede incluir la siguiente:

Medicamentos para la fiebre y el dolor

Bajo ciertas circunstancias se puede tomar un hisopo nasal.

Medicamento antiviral puede ser prescrito.

Se le pedirá que utilice una máscara desechable.

¿Cuál es una persona infectada y contagiosa?

Las personas con gripe se creen que son potencialmente contagiosos desde el día antes de que se enfermo hasta que los síntomas han terminado, generalmente cerca de 7 días. Personas con gripe deberá permanecer en aislamiento voluntario hasta que la fiebre gratis durante 24 horas. Para la mayoría de las personas con casos confirmados de esta nueva gripe, el tiempo necesario para recuperarse completamente desde un sencillo curso de la enfermedad ha sido cerca de 7 días.

¿Cuál es el período de incubación para esta nueva gripe?

Parece que es 1-4 días en promedio; podría ser hasta 7 días.
